**BE A PART OF THE JEFFERSONTOWN  
HIGH SCHOOL MEMORY WALK !!**

With the events of wind and ice storms last year, the signs to the entrance of the Jeffersontown High School football field were destroyed. Since the football complex has had few updates since its original construction, it has become obvious that we need a "new look." It is time for those chain link fences to be replaced with stone and our school's name displayed with a more permanent metal lettering! It is time that the unremarkable concrete walkway from the parking lot to the football field is replaced!

The Jeffersontown High School Alumni Association is designing a new "Memory Walk" as part of the new look for our football field. The walkway will be engraved with the names of those Chargers who have passed through those gates. Whether you were a football player, cheerleader, band member, soccer player, or simply a fan, this field was a place that created memories. And it is the place where you can leave your name for all to see!

You can be a part of the Memory Walk by purchasing a "Memory Brick" for the walkway. Your name, graduating year, sport, or club affiliation will be engraved on a brick to be permanently embedded in the walkway. These bricks will not only display the names of former Chargers, but will create enough funds to revitalize our football field entrance.

To purchase a JHS Memory Brick, visit the alumni website store front at [www.jtownalumni.org](http://www.jtownalumni.org) for order forms and an easy Pay Pal system.

Or call us at (502)485-8136 Or download an order form [Brick Order Form HERE](#), then mail it in.

[4 x 8 Memory Brick \\$50](#)

[8 x 8 Memory Brick \\$100](#)

Bricks may be purchased by individuals, families, or groups. Teams such as "District Champions" could purchase a brick as a group. Kathie Cunningham Hill, '72, has purchased one in memory of Janet Cox, our first choral director, with the inscription "You gave us music."

Symbols can be added to your brick at no additional charge; however, they do use 4 spaces of your text copy. If you would like a symbol included, please choose one of the following:

If desired, Choose from these available symbols

1. Select your symbol
2. Place in the location you desire it in your engraving with parenthesis around it
3. i.e.: for a Music symbol, write (MUSI)
4. [NOTE SYMBOLS TAKE 4 SPACES]

Your football complex bears the names of two significant men in our Jeffersontown High School history-----

William T. Reynolds, our first principal, and  
Jim Hughes, our first football coach.

Both of these men have influenced so many young J-town graduates; now we need a facility that can proudly display their names.
